

### Parish Evangelisation Cell prayer

Father God, You sent to us  
your only begotten Son Jesus whose apostles  
made up the first cell.

We ask Father that with Your power You draw  
many others to join a cell. Send Your Holy Spirit upon all our Parish  
Evangelisation cells, enabling each member to have a deeper  
understanding of Your love in their daily relationship with You.  
Help them to have the courage and commitment to share with the  
community the joy You have bestowed upon each cell member.  
Please dispel all fears so that all will share Your good news with  
their family members, friends, work colleagues and any others with  
whom they are in regular contact,(our Oikos,) enabling Your cells to  
multiply. Through Jesus Christ our Lord. Amen
